

Isaac's Recovery Home – Employment & Accountability Policy

Employment Search Requirement

All residents are required to actively seek employment each day from 9:00 AM to 4:00 PM.

- Residents must complete a minimum of 3–4 job applications per day and provide proof of submission when requested.
- Residents who need assistance with job searching, applications, or resume building are encouraged to reach out for support.

Support & Guidance

For help with employment, residents may contact the Program Director:

Justin Gomez Medrano

Phone: 940-232-8252

Accountability Requirement

- During the first week of residency, each resident is required to have an accountability partner.
- Accountability partners are encouraged to support one another in staying consistent, motivated, and responsible.
- Residents should not hesitate to ask fellow house members for help and guidance.
